They're also printed in proper script format, perfect for amateur screenwriters learning script layout.Weekend Read AppWeekend Read app is a free app that allows you to download and read scripts straight from your mobile device, making it the perfect app to study scripts on the go. You get free access to the scripts from those shows with a single click on BBC Writer's Room. Download the app from the app store.Awesome FilmThis "awesome" site has a nice selection of classic and hard-to-find films. You can buy tracks at iTunes or AmazonMP3. We only refer to pattern brands that we sell the separate patterns of in our shop. Keep this in mind if you are looking for something reasonably obscure. Luckily, there are quite a few really great spots online where you can download everything from Hollywood film noir classics to 90s rom-com scripts. Please take into account that you might need to fill out a registration in order to download free patterns (e.g. Burda). Here are some great places to start.IMSDB - Internet Movie Screenplay DatabaseThis site is basically like IMDB but for movie scripts. The Screenplay DatabaseThe Screenplay Database has a neat, alphabetized list of PDFs of great scripts listed in alphabetical order. Premium pricing is expected to add \$3 (£1.50) to \$4 (£2) to the cost of a DVD.Pali Research's Greenfield also says that once the Fox deal is done, other Hollywood studios will quickly follow suit.We're hopeful that any announcement in January will also involve territories outside the US. MORE FROM QUESTIONSANSWERED.NET April 16, 2020April 16, 2020 Every future best-selling screenwriter knows that in order to write great scripts, you've got to read great scripts. Apple Insider says Fox is asking for downloads to be priced higher than \$15 - something that Apple has refused to do until now.Richard Greenfield at market analysts Pali Research says the only thing that's holding up the Fox deal are Christmas DVD sales, which Fox obviously doesn't want to dampen.That could put the announcement on online release of movies like the Star Wars series. Borat and Minority Report as early as Tuesday January 15th - the date of Steve Jobs' keynote address at the Macworld Expo in San Francisco.Value-added DVDsThe Apple-Fox agreement has been spurred by increased piracy and a desire by studios to sell "premium priced" DVDs which also include a digital copy of a film that can be watched on devices like iPods. The site also links to the scripts' IMDB pages as well as to where you can buy the movie. If you're going to use Last.fm to track down these free soundtracks, have all the keyword information available to locate them. Sewingpatterns.eu provides an overview of nice patterns that can be downloaded from the different pattern websites. How does it work? Script versions are specified, so you instantly know whether you're reading through a shooting script or a seventh draft.Screenplays for YouClean, simple and up-to-date is the name of the game with Screenplays for You. Amy Butler Design | Burda | Ottobre | Colette Patterns Amy Butler Colette Burda Ottobre The US version of Apple's iTunes Store (pictured) has much wider selection of movies than the UK version does Apple is very close to inking a deal with Fox that will see the studios' entire movie output being made available on iTunes. The admins boast that the site is constantly updated and that it has no dead links, ensuring that you don't waste your time. Users upload and share scripts, making this a truly collaborative site.BBC Writer's RoomThe UK is the birthplace of many of television and film's top programming. The site is full of everything from script download links to free story e-books and access to private workshops, making it a must-visit destination for screenwriters.Simply ScriptsSimply Scripts offers a giant database of both movie and television scripts. The UK iTunes Store, for example, still only has a paltry selection of movie shorts from Pixar - a company once owned by Apple CEO Steve Jobs. Drew's Script-o-RamaThe simple black and white interface belies the absolute depth and breadth of the scripts available on this site. But the deal has only been possible because Apple has compromised over how much it will sell the movies for.Apple currently sells the entire Disney back catalogue, plus selected MGM, Paramount and Lionsgate films for \$15 (£7) and \$10 (£5). Scripts are instantly delivered in HTML or PDF formats. You can search alphabetically or by genre, and you can even look up your favorite TV transcripts. Don't be discouraged if you can't find it initially--or just use one of the other sites listed above. There's a comment section connected to every script, perfect for snarking. All you need to do is identify the movie, the composer and check out one of these sites. 61 per cent of those who took part in a BroadbandChoices.co.uk survey said they'd like to be able downloaded DVD quality movies, according to the BBC.We'd also expect any digital copy of a movie to be at least Apple TV (720p HD) quality if we're expected to pay a premium for it. The Daily ScriptThis site offers an exhaustive, neatly-ordered alphabetical list of films. That's simply unfair when you can buy full-length blockbuster movies like Pirates Of The Caribbean: At World's End on the US version.If Apple does make downloadable movies available here, it's likely to be welcome by culture-starved Brits. Prepare for a weekend of binge reading. Some of the titles are listed by film, some are listed by composer and others are just listed by title. With what may be the biggest database of movie soundtracks online, ArtisDirect.com provides most of these downloads for free (with a fee that must be paid for access to others). However, most of the soundtracks that are the easiest to find are mainstream pop songs that have been purchased for the soundtrack, not necessarily from composers who have done movie scores. Go Into the StoryThis site is called the "Best of the Best" screenwriting website, as stated by Writer's Digest. With more than 45,000 titles to choose from, SoundtrackCollector.com is for the serious musician and soundtrack enthusiast who is truly a fan of composers and the often brilliant and underappreciated work they do for every film. However, there are a number of online sites where you can download that amazing movie soundtrack you heard in that film the other day. You can download everything from blockbusters to indie and foreign language offerings. An extensive database that goes beyond the opening theme song, the song over the credits or the tune all the characters dance to--it features the less notable numbers from a film that only real fans will recognize. Every pattern lists a link that you can click to get to the website in question. Last.fm seems to have most music tracks in its database--the challenge comes with finding those tracks.
